

M3 Challenge 2021 — Triage Survivors by State (US) & County (UK)

Of the 535 papers submitted to this year's Challenge, those from 100 teams from the schools listed below have advanced to the second round of judging. Schools listed twice have advanced two teams. *Papers under consideration for the Technical Computing Scholarship prizes are evaluated by a separate set of judges for which results are reported directly to teams and in final winner lists in April.
