

**MathWorks Math Modeling Challenge
Cyber School Affidavit**
one (1) form per cyber schooled student

Print information in the spaces provided below and sign where indicated.

A copy of this affidavit must be completed and returned for each Cyber Schooled student prior to his/her participation in MathWorks Math Modeling (M3) Challenge 2020.

Whether joining a public high school's team in his/her district, or forming a team of students from the Cyber School at which all team members are enrolled, I verify that (student name)

_____ on (team ID #) _____ is between the ages of 16 and 18, is currently a student in the 11th or 12th grade at the _____ Cyber School, and that the student resides in _____ County, _____ (state).

Further, I verify that the Cyber School attended by the above-named student is in compliance with all Cyber School laws in _____ (state). I understand that this student may only participate in MathWorks Math Modeling Challenge a maximum of two years.

For students who elect to form a team from the same Cyber School, all team members be full-time students who are on-track to receive a diploma from the school they're registering with. Transient students taking courses under a full-time load are not eligible. I agree to provide the true and correct home address of the student upon request.

Cyber School Administrator: _____ **Date:** _____

***Please return this completed form via email, fax, or mail prior to the Challenge weekend. One Cyber School affidavit form is required for each member of each Cyber School team, and for any student electing to join a team from the public high school from the district in which he/she lives.**
