

**MathWorks Math Modeling Challenge
Homeschool Affidavit**
one (1) form per homeschooled student

Print information in the spaces provided below and sign where indicated.

A copy of this affidavit must be completed and returned for each homeschooled student prior to his/her participation in MathWorks Math Modeling (M3) Challenge 2019.

Whether joining a public high school's team in his/her district, or forming a team of students from the homeschool at which all team members are enrolled, I verify that (student name)

_____ on (team ID #) _____ is between the ages of 16 and 18, is currently a student in the 11th or 12th grade at a homeschool located in _____ County, _____ (state). Further, I verify that the homeschool attended by the above-named student is in compliance with all homeschool laws in _____ (state).

I understand that this student may only participate in *MathWorks Math Modeling Challenge* a maximum of two years.

I understand that for all students who elect to form a team from the same homeschool, all team members must reside in same state. I agree to provide the true and correct home address of the student upon request.

Homeschool Administrator: _____ **Date:** _____

***Please return this completed form via email, fax, or mail prior to Challenge weekend, March 1 through March 4, 2019. One homeschool affidavit form is required for each member of each homeschool team, and for any student electing to join a team from the public high school from the district in which he/she lives.**
