

Homeschool Affidavit

One (1) form per homeschooled student

Print information in the spaces provided below and sign where indicated.

A copy of this affidavit must be completed and returned for each homeschooled student prior to their participation in MathWorks Math Modeling (M3) Challenge.

Whether joining a school's team in their district, or forming a team of students from the cyber school at which all team members are enrolled, I verify that _____ (student name) on _____ (team ID #) is between the ages of 16 and 19, is currently a student in 11th or 12th grade or at 6th form level at a homeschool located in _____ (county/state). Further, I verify that the homeschool attended by the above-named student is in compliance with all applicable homeschool laws.

I understand that this student may only participate in MathWorks Math Modeling Challenge a maximum of two years.

I understand that for all students who elect to form a team from the same homeschool, all team members must reside in the same state or county. I agree to provide the true and correct home address of the student upon request.

Homeschool Administrator: _____ **Date:** _____

***Please return this completed form prior to Challenge weekend. One homeschool affidavit form is required for each member of a homeschool team, and for any homeschool student participating as a member of a team at a school in the district in which they live.**
